Terms of Use

Limitations apply. Valid only for those with private insurance. The program includes the copay card or payment card (if applicable) with a combined annual limit of \$6,000. Patient is responsible for any costs once the dollar limit is reached during the program term (July-June) calendar year. Program is not valid (i) under Medicare, Medicaid, TRICARE, VA, DOD or any other federal or state health care program, (ii) where patient is not using insurance coverage at all, or (iii) where the patient's insurance plan reimburses the entire cost of the drug. The value of the program is exclusively for the benefit of patients and is not intended to be credited toward patient out-of-pocket obligations and maximums, including applicable copayments, coinsurance and deductibles. Program is not valid where prohibited by law. Patient may not seek reimbursement for the value received from this program from other parties, including any health insurance program or plan, flexible spending account, or healthcare savings account. Patient is responsible for complying with any applicable limitations and requirements of their health plan related to the use of the program. Valid only in the United States and Puerto Rico. This program is not health insurance. Program may not be combined with any third-party rebate, coupon, or offer. Proof of purchase may be required. Sobi, Inc., reserves the right to rescind, revoke, or amend the program and discontinue support at any time without notice.

The SYNAGIS Copay Program covers the cost of the drug only, and does not cover costs for administration of SYNAGIS, office visits, or any other associated costs.

BY USING THIS PROGRAM, YOU UNDERSTAND AND AGREE TO COMPLY WITH THESE ELIGIBILITY REQUIREMENTS AND TERMS OF USE.

SYNAGIS CONNECT[®] is a patient support program created by Sobi to provide individualized support to help appropriate patients get access to SYNAGIS[®] (palivizumab). SYNAGIS CONNECT[®] can help parents and caregivers understand the treatment process and their financial options, support providers in navigating insurance and reimbursement questions, and assist in the coordination of care and the specialty pharmacy process.

In order for the patient and their caregiver to take advantage of this program, consent/authorization must be obtained.
